# Hello, I am
Rwitesh Bera

CSE Undergraduate
Full Stack Developer

ABOUT ME

Hi, There! I'm Rwitesh Bera. A Full Stack Developer. I am pursuing B.Tech. in Computer Science and Engineering at Academy of Technology, Kolkata, India. I love to build cool projects using frameworks I know. Whenever I build or learn something new, I share it with other people on Linkedin and Twitter. Recently, I have started learning Blockchain Development. I believe blockchain will shape the future of the Internet.

I love music. All of my music consumption is meticulously catalogued on Spotify and I maintain a Spotify playlist. I'm also into gaming and photography. I share my photographs on Instagram.
